

AGnVET Betta Livestock Services

NEW ZEALAND

South Island Study Tour

An ongoing feature of our AGnVET Betta Livestock Services groups, gatherings and tours has been to learn by interacting and sharing experiences. We are proud to launch this study tour which takes that to a whole new level.

TOUR HIGHLIGHTS

- Tour Intensive sheep, beef and dairy grazing operations across the infamous scenic high country & fertile plains

- 10,000+ lamb trading operation on pasture & dual crops

- Meet with a likeminded sheep focus group

- Network with other Betta Livestock customers, New Zealand producers, and more

- Interact with leading parasite, nutrition and pasture specialists
